## COME ALIVE COLLECTION

Sunlife has launched the "Come Alive Collection", a series of experiences to radiate the magic of Mauritius.

Here are four experiences at Long Beach:

### Santé

Forget Long Island Ice Teas and oh so expected Pina Colada, and say hello to cocktails served with an elegant twist. Mixologist sorcery brings you an innovative new cocktail menu. Using local flavours, tonics and small-batch liquors, our cocktails are designed with medicinal healing properties. From party drinks to party healers, there's a glass to nurse a hangover or soothe the sunburn. Prepare to be wowed as our expert bartenders confect molecular cocktails using dry ice and wizardry skill. And why not join our weekly molecular masterclass to mix your own tipples? First come, first stirred!

Book your master class with F&B Concierge and meet Jack for the master class (supplement applicable) or discover our Santé menu at the Mixology Lab.

### Transforming the Piazza

As evening falls, our piazza transforms into its night-time persona. Illuminated by a sequence of interactive artworks and bespoke light installations that flicker across the white buildings, palm trees and tessellated floor, Long Beach illuminates with creative brilliance. Combining music and art with high-resolution digital projection, the piazza comes to life as a stunning piece of performance art that showcases local visual artists. After dinner, our roster of visiting solo musicians and up-and-coming bands play anything from ambient sessions to slow jazz.

### Biodiversity Trail

Start your Biodiversity journey with a tour of our beehives with Izzy the Bee, the new mascot of Sunlife and watch our 245 thousand happy, buzzing bees busy producing their delicious golden nectar. Move on to the park's nature trail and wander through endemic plants, discover the flora and fauna of Mauritius including a rare Ebony tree. Conclude your experience by treating yourself to a honey-tasting session and have a taste of the natural goodness grown in our Chef's and Ayurvedic garden. Book your trail with the Guest Relation team to meet Izzy the Bee and discover our endemic trees 3 times per week free of charge.

### Swing & Drift

What is a holiday without good sleep? At Long Beach, we love to snooze, which is why dotted along our beach are a series of contemporary canvas hammocks designed to encourage Inquisitive Extroverts to lie back, listen to the sound of the waves and swing into serenity. Drift off to sleep in our blissful hangouts while a member of our spa team massages your neck knots and soothes your temple tensions. Our sleep experiences are perfect for 30 minutes of deep jet lag shut-eye or shorter moments of calm reflection. Booking is done through the SPA team.

## SUNLIFE'S SUSTAINABILITY PROGRAMME

Sunlife's sustainability programme is committed to leading the way in terms of sustainable and impact-driven travel experiences and ensuring Sunlife's properties function sustainably and responsibly. From the interiors of guestrooms and the activities on offer, to every sight, taste, and touch, Sunlife has been carefully curated in a way that honours the natural environment and host communities. Each resort has adopted a range of colourful Sunlife sustainability icons that point to the everyday actions taken to care for the environment and respect the local communities.

Sunlife is a signatory to the UN Global Compact (UNGC) and is committed to upholding the UNGC's ten principles to support broader UN objectives such as the Sustainable Development Goals (SDGs).

The following global goals have been selected as the most relevant to our business and where Sunlife can make the most impact:
