SANTA ANA: AT A GLANCE

An exclusive retreat on Menorca, Santa Ana is set within a huge 210 hectare estate, ensuring complete privacy. Meticulously restored buildings contain calming bedrooms and stylish shared spaces, perfect for families or groups of friends seeking peace and indulgence.

Rooms and Suites

In the main house, Casa del Payes, a master suite at 30sqm has lovely countryside views and 20sqm terrace from which to enjoy them, and there's an even larger suite of almost 40sqm located in a building of its own, the Granero, complete with private garden. Moments away in a creatively converted boyeras, or traditional barn that is close to the expansive pool area, are a further four stylish bedrooms - all 30sqm or more.

Shared Spaces

The Casa del Payes features three generous living rooms and a library to relax in. Guests can chat and eat together in the open kitchen and a beautiful dining room. Outside there are shady spaces to relax or eat, while the pool area features an outdoor kitchen, a covered dining area and wide terrace with sun loungers that are as comfortable as they are elegant.

The Estate

Santa Ana sits within a wonderfully private 210 hectare estate, which translates to utter tranquillity. Near the accommodation are gardens with fragrant Mediterranean flowers and herbs, while much of the land is given over to woodland and nature. Its location within walking distance of Cala Macarella and Cala Macarelleta, considered two of Menorca's best beaches, means that in the early morning or later in the day guests can have their turquoise waters and white sands almost to themselves.
